

AARTHI M

SAP CPI / SAP BTP INTEGRATION CONSULTANT

Bangalore, India | aarthimahendran12@gmail.com | +91 8675163533 / 8903970069 | LinkedIn: [Aarthi M](#)

PROFESSIONAL SUMMARY

SAP CPI/BTP Certified Consultant with 5+ years of experience in SAP PI/PO and SAP Integration Suite across analysis, design, development, testing, deployment, go-live, monitoring, and post-production support. Experienced in end-to-end integration delivery for S/4HANA, public cloud, and B2B integration programs across SAP, cloud, on-premises, and in-house systems. Strong expertise in SAP CPI, SAP BTP, SAP PI/PO, Event Mesh, Groovy scripting, API integrations, error handling, performance optimization, and secure interface design. Proven ability to lead B2B integration workstreams, coordinate cross-functional teams, and deliver within timeline commitments.

CORE SKILLS

SAP Integration Suite / CPI | SAP PI/PO | SAP BTP | S/4HANA | API Management | Event Mesh | Groovy | OData | SOAP | REST | IDOC | RFC | JDBC | JMS | SFTP | HTTP | SuccessFactors | Exception Handling | OAuth2/JWT | BTP Cockpit | CTS / Transport Management | Testing | Monitoring & Support

PROFESSIONAL EXPERIENCE

DELOITTE | SAP CPI CONSULTANT

Dec 2024 – Present | Bangalore, India

- Delivered end-to-end SAP CPI/BTP integrations covering design, build, SIT/UAT, cutover, go-live, and hyper care.
- Led a global B2B integration workstream delivering 10+ integrations across 15+ countries.
- Built event-driven integrations using S/4HANA Business Events and SAP Advanced Event Mesh for near real-time processing.
- Designed Advanced Event Mesh queue models with parallel consumers, partitioned queues, and DMQs to improve processing efficiency.
- Developed batch-processing integrations with structured error-summary outputs to reduce manual error analysis.
- Implemented token cache mechanisms that reduced redundant token-generation calls by 50–60% and stabilized high-frequency interfaces.
- Re-engineered CPI packages using reusable subprocesses and Groovy scripting and optimized high-volume integrations for faster runtime.
- Worked with cross-functional teams to align dependencies, reduce delays, and ensure timely delivery.
- Managed BTP cockpit configurations and trained 15–20 engineers on CPI patterns, Groovy basics, Event Mesh, and error handling.

ACCENTURE | SOFTWARE DEVELOPMENT ANALYST

Jul 2023 – Nov 2024 | Bangalore, India

- Worked on an S/4HANA implementation project, analysing business requirements and technical specifications to design and develop integration solutions across SAP, cloud, on-premise, and in-house systems.
- Developed custom interfaces, data conversions, and error-handling solutions using SAP BTP Integration Suite, SAP PI/PO, and SAP Cloud Integration.
- Configured IDOC, RFC, ABAP Proxy, OData, Process Direct, SOAP, HTTP, JDBC, JMS, FTP, SFTP, Mail, and SuccessFactors adapters, Groovy scripting, mappings, and Exception Sub-Process.
- Worked with cross-functional teams and business users to avoid delays and complete deliverables within timeline commitments.
- Conducted unit testing, integration testing, debugging, and issue resolution for custom interfaces.
- Supported CPI transport mechanisms using CTS/File for controlled deployments across environments.

IBM | APPLICATION DEVELOPER

Apr 2021 – Jul 2023 | Bangalore, India

- Delivered end-to-end SAP PI/PO interface implementations including ESR objects, mappings, adapter configurations, and monitoring support.
- Worked on PGP encryption/decryption and transport mechanisms using File, CTS, and Charm.
- Handled error monitoring and troubleshooting using Runtime Workbench, SXMB_MONI, and SM59.
- Resolved 100+ incidents, including high-priority production issues, within SLA timelines.

SOFTCRYLIC | SOFTWARE ENGINEER INTERN

Aug 2019 – Mar 2020 | Chennai, India

- Supported Python problem solving, Excel VBA/macros, and manual testing using JMeter.

CERTIFICATIONS

- SAP Certified Development Associate – SAP Integration Suite (C_CPI_15)
- Microsoft Certified: Azure Fundamentals (AZ-900)
- Generative AI at SAP

AWARDS

- ACE Award – Accenture
- SPOT Award – Deloitte

EDUCATION

Bachelor of Engineering, Electronics and Communication Engineering | Aug 2016 – Nov 2020
